Okay, I get it!
I get it, already!!
Let me go,
you freak!!
I SWEAR...

As soon as I
heard a corpse
had been found
at this school, I
faced the worst!!
And now... oh, the
joy of finding
those four
bitches!!

Hina,
you know
this person?

Old
Father
Hinata!!

I see...
you didn't
have to see
the scene...

LET
GO!!

This is the
detective who saved
me when I was kid-
napped by that
serial murder two
months ago.

"This
person?"
But...
Hina...

Ahh!!
But I really
need and get
over here,
quick!!

I met
this person
my life.

Seems we're
dealing with the
ghost of Kengo
Tachibana.

THUD-BOOM!

So,
what's this

thing"?

WISS

Sorry to
intrude, but I
have something
important to
talk to you
about.

Ahh!

Is it all
right if I
come in?

So,
what is
it?

Well...
it's hard
to just come
out and
say it...

Taking a
trip. She'll be
gone for the
week.

With the car,
I couldn't get
it in during
the day...

Say,
where's your
mother?

*I think
it was a
challenge*

*But, I don't
understand...
why a picture
of us?*

*Do you know
the name Kengo
Tachibana?*

*Actually, until
he started his
opera, he and
I were drinking
 buddies.*

*That's right. He
was a medical
career - that is,
he performed
the autopsy on
dead bodies...*

*Actually
used to
work for
the police*

*Tachibana...
yes, the
serial killer
who was
captured a
year ago*

*Hey, look
there, even
that'd be
wonderful
they are
with the

*Really

It may
not take
today, as I'm
helping Father
Hankura
prepare for
a funeral.

Assuming
nothing goes
wrong, I guess
we'll be done
around 8 or
9pm.

About what
time does the
school let out?
I'd like to meet
you, then.

Well...

Oh, good
morning,
Father
Hankura.

Good morning,
Hanku... Oh, and
to you, as well,
Detective.

No
problem.

Oh, hey,
Dune, my
dad.

Akiba?

Have you
found any
leads on that
incident,
yet?

I'm just
about to
find out,
myself.

The guards are
done checking
the car, so you
can go in.

You've
got 10
minutes.

Thanks.

I thought you
saw something...
it's a new
book. Hope
you like it.

Yo, Doc,
did he see
prison life
hasn't been
you down.

*Actually, it
was a present
from a priest
who came to
visit me.*

*Oh
how
fun
this
is*

*Get
it.*

*I guess
even monks
can find
religion,
huh?*

*Hey,
what's that?
Is that?*

*They even
left me a
love letter,
just like you
used to do.*

*Right
here.*

*Where's
the
inmate
I left?*

*They've
probably
told
you about
the
murder
at
the
girls'
academy.*

*But
probably
not
that
the
killer
used
your
old
hat
to
do
it.*

*You think
I'd tell you
even if I
didn't?*

*You think
you know
who did it?*

*That... that is
just awful. When
everything goes
down, you stop
at the Transcend
color. Everyone
knows that.*

*If you let
the liver like
that, of course
the golden rules
will suck everything
up. This is actually
meant to be my
world?*

*Even,
this isn't
like the
movies,
y'know.*

*You expect too
much of me, I
could certainly
tell you more if
you got me out
of this cell.*

*Well,
okay, there's
nothing more
to say, is
there...*

*You know,
Tatsuya, I had
a dream about
you just last
night.*

*You had
been buried up
to your neck in the
sand... I just sat on
the ground and
stared at you.*

*The two of
us were in the
desert. The
heat was almost
unbearable, and
there was no sign
of any other life
to be found.*

*You
were in
incredible
pain,*

*and you
begged me
for help.*

*The heat
baked your eyes
in their sockets.
Eventually, one
even fell
half-way out.*

In it, there were
these 18 girls, and
they 18 with their
1818, and then they
181818 181818 1818
1818... it was pretty
amazing!

Wow.
I had a
dream last
night,
too.

"Please, Kiyoko,
you said, 'tell me
now.'"

...since
the day I
met you...

You
haven't
changed
at all...

Mr.
Hatake
shall

You
don't
know

181818

Kiyoko

I did what
I could, given
my situation.

All
right, I'll tell
you what I
think.

This person
came to me
many times,
asking me to
teach him my
craft.

You can
find his
name on
the list of
runners.

That there's
the visitor
list for
Tachibana.

I think I
was right
to leave
the talking
to you.

So, now
you've met
the infamous
Tachibana.
What do you
think?

The priest...
I doubt he
came here to
spread any
good news...

Let's see...
aside from
us and his
lawyer,
there's...

Why...

What?

The dead
is already
gone...

You're
too late.

WAAAAH!

...all
you can
see.

...that's
right.

Tachibana
told you to
do that?

You have no idea how
he infuriates you, but when
you pushed against him
going for the door
handle, he used his
arm to spread the rest of his
legs in that way, lying
it down, without
doubt...

You've
been to the
prison? There
that ridiculous
state of hell?

He holds
you in
very high
esteem.

He also
used to
kill you
with
my own
hand's.

He has
chosen a
false god.

So, that's it?
You plan to live
here with me? To
join Tachibana in
his "useless
death"?

But had I
the Anti-Fault?
Come, then, get
it over with as
you it up.

I should have known I wouldn't stand a chance. I surrender.

Even Tachibana was no match for you.

Kyaaaaa!!

**WAKE
UP,
YOU!!**

THE END!!

You couldn't tell
these were dog
agents? You'll have
to be more attentive
if you're going to
make detective,
someday.

So...
he's...
not
dead?

Awaaaa!!
What is all
that? What's
going on
here?!

That really
hurt! What the
hell was that
for, anyway?!

But,
Reverend...
is that?

I could
never tell
my most
precious
student.

Having
you was not
necessary to
achieve my
goal.

But, as it
was a burglar
breaking into my
family's house,
I was never
charged with
a crime.

I was still
quite young,
the first time
I stabbed
anyone.

But then,
one year ago,
I saw the hidden
of Tachibana's
virtues.

I was
determined
to suppress
the feeling.

That is
how I found
my faith.

It was
a feeling
I never
forgot,
even for
an instant.

However, I
remembered the
experience with
something akin
to pleasure...

Is my
staved soul
really the only
reason you come
to see me?

Under the
pretense of
missionary
work, I want
to visit
Tachibana
in prison.

It was
my first visit,
artistic work... All
at once, the side
of me I had
worked so hard to
control began to
overflow.

Tell
the
truth,
priest...

I am Father
Hosokawa,
a Christian
priest. I've
brought you a
copy of
our Bible...

"My eyes
can see
right
through
you."

...that's
pretty
much what
he said,
right?

"You and I
are two of
a kind."

!

Father
Mendham...

Okay,
let's go.

So...
I could
have been
anything...

Sigh

Sigh

Sigh

Sigh...

Hey, hey,
Mendham, there's
no need to
cry, capture.

Adding
to...

Pretty
much.

By playing on
that one strand
of his nerve, he
tricked Mendham
into ending his
own world.

Foolishness
was only
playing with
him, of for
all.
